

2015 TRAIL MAINTENANCE SCHEDULE

Trail crew volunteers:

It is time to sign up for maintenance projects that Forty-Sixer crews will undertake in 2015. We have included a sign-up sheet. Please use it for your email or mail response to Joe Bogardus at **adk46ertrailwork@gmail.com**. Come and join us as often as you can.

Joe, Pete, and Sam, Trailmasters

Saturday May 9, Dix-Round Pond Blowdown Sweep

We will clear blowdown from the trailhead to the summit of Dix and clean water bars along the route. We will meet at the trail parking lot on Route 73 at 7:30 a.m.

Saturday May 23, Spring Meeting Work Day

We will have crews clearing blowdown and cleaning water bars on the trails to Indian Pass, Wallface Ponds, and the North Trail to Giant. The Indian Pass/Wallface Ponds crews will meet at the ADK hiker building at 7:30 a.m. The North Trail crew will meet at the trailhead parking lot, Route 9N at 7:30 a.m.

Saturday June 13 & Sunday June 14, Dix-Elk Lake work

We will clear blowdown from the Hunters Pass and Beckhorn trails to the summit of Dix on Saturday. Sunday consists of prep work at the Lillian Brook Bridge. We meet at the former Frontier Town parking lot off of Exit 29 of the Northway at 7:15 a.m. and carpool to Elk Lake.

Saturday June 20 Grace Peak Celebration, North Hudson

An unusual project. The 46er trail crew will be helping out with the celebration for the renaming of Grace Peak. We will send you details as they become available.

Saturday July 25 & Sunday July 26, Women's Only Weekend

We will camp at a State camp ground and work from there.

Saturday Aug. 8 & Sunday Aug. 9, Lillian Brook Bridge

We will be working with a DEC crew rebuilding the bridge.

Saturday August 22 & Sunday August 23, Putnam Pond Weekend

We will camp at a State campground so no need to "rough it". Camp sites will be available Friday afternoon, so join us then if you can.

Saturday Sept 12 & Sunday Sept 13, Marcy Dam projects

Various projects around Marcy Dam. We meet at the dam at 8:30.

Fall Meeting Dix Round Pond and other sites: sidecutting/rock work

We will work on Saturday, the day of the fall meeting. We will meet at Marcy Field at 7:00. Note the early start to ensure time to be ready for meetings and supper.

Please sign up with Joe Bogardus [**adk46ertrailwork@gmail.com**] for each outing that you plan to attend. We rarely change a scheduled event, but if we do and you haven't signed up, we can't contact you about any change. **In accordance with DEC policy, children under sixteen years of age cannot perform trail work.**
