Thanks to the continued support of member contributions the 46er Board has designated \$66,500 to be dispersed to various outside agencies during the 2020 calendar year to continue efforts to improve conditions in the High Peaks. These funds have financed Trailwork Projects, supported educational efforts, and promoted wise use and safe travel within the High Peaks.

Member dues cover all the basic expenses of running the organization and the various club-run activities: Trailwork, Outdoor Skills Workshop, Historians Office, PEEKS Magazine, Wilderness First Aid Tuition Assistance, Trailhead Steward Program, Email Correspondent Program, and expenses for mailing and postage. Additionally, the sale of emblem items assists in funding new initiatives.

Once again, Member Contributions almost matched dues collected. Thank you! We hope to maintain our efforts in 2021 with your continued support.

This volunteer organization remains active and dedicated to education in the wise use of the High Peaks, thanks to your contributions.

— Phil Corell, Treasurer #224W
