

ADIRONDACK FORTY-SIXERS

Dear New Climber:

If you have begun your quest to become an Adirondack 46er you may elect to become an "Aspiring" member of our group. For \$8 a year you will receive two issues of Peeks Magazine (our official publication) and our three newsletters. You can stay up on 46er projects, participate in volunteer trail work activities, attend our Outdoor Skills Workshop, and read member stories.

You will be restricted from purchasing emblem items (patches, decals, t-shirts, etc.) until you complete your journey and register as an "active, dues current member." If you complete your peaks during the dues year we will transfer your \$8 payment to meet one individual's initial dues requirement.

PLEASE -- only one registration per mailing address. \$8 will register an individual, a couple, or a family. If you have questions, contact our Treasurer, Phil Corell at: corell46@charter.net
