“The purpose of the Organization shall be to protect and foster the natural resources within the Forest Preserve located in the Adirondack Park of the State of New York and to preserve the wilderness character of the region.”

General Guidelines:

Please note that our primary focus is on the high peaks region of the Adirondacks and secondarily, other areas of the Adirondack Forest Preserve.

A grant ceiling of \$15,000 exists, although the board may, in certain circumstances, increase this amount. When feasible re-imbursment by the Forty-Sixers will be made directly to the providers or upon presentation of receipts.

Applications will typically be reviewed at either of the Forty-Sixer business meetings. These are generally held in the spring on Memorial Day weekend and in the fall during Columbus Day weekend. If you wish to have an application reviewed please have it submitted prior to these meetings.

Within **6 months** of completing your project, all grant recipients must submit to the Adirondack Forty-Sixers an End of Project Report for possible inclusion in Adirondack Forty-Sixer publications. An annual report will be necessary if multi-year projects are funded.

Written acknowledgment of the Adirondack Forty-Sixers is required in any resulting publication or press releases.

If for any reason the project is cancelled awarded funds must be returned to the Adirondack Forty-Sixers and with full accounting of any money spent. Further note that any unused funds must be returned as well.

In any presentations, lectures, or slide shows about this project, mention that your organization received an Adirondack Forty-Sixers grant and please include the Forty-Sixer logo in said presentations, lectures, etc.

Please don't hesitate to contact the Adirondack Forty-Sixers if you have any questions or concerns.
